Dear Fred & Velma:

As a British Car Enthusiast, I would like to welcome you to our Club. I am sure you will benefit from the social aspects and also the willingness of some members, whenever possible, to assist you with any car problems you may have now or in the future.

For your information, we have had monthly dinner meetings from May – October generally on the third Wednesday of each month, but have temporarily changed to breakfast meetings generally on the third Saturday of each month. These meetings are held at various local restaurants. We also have a Membership Appreciation Dinner in November. Our new Eastern Region also has monthly meetings at local restaurants in that area. Some of our activities have been altered or on hiatus until local pandemic restrictions are resolved.

Our Club activities generally include: a Spring Drive in May; an annual Car Show at Saint Mary's College on the last Sunday in June; an Annual Meeting in August; a Fall Tour in September; a Fall Colors Drive in October; and to wrap up the year we have the Membership Appreciation Dinner in November. Likewise, the Eastern Region will be organizing additional drives for those members. Interspersed throughout the summer and fall are opportunities to attend other British Car Clubs' car shows. You will find information on all of these activities in our monthly Newsletter that will be Emailed to you. Again, some of these activities have been on hiatus but we are planning a number of Covid-19 safe activities for 2021.

Our Club Web Site is www.michianabrits.com which contains detailed and continually updated information on the above and pages concerning various Club activities. If you have a car, we would certainly appreciate you Emailing to our Webmaster (web.admin@michianabrits.com) a photo of your car(s) to be included on the Members' Cars page. For those who desire an annual subscription to the "British Marque" Car Club News magazine (published each month except January), a portion of your subscription cost will be covered by the Club. The Club will re-imburse you either \$10 for your \$16 hard copy subscription or \$7 of your \$12 on-line subscription. Also, at your request, a club name tag (our logo, your name, and car) is provided by the club which covers the cost of each name tag.

Your Annual Membership is renewable by March 31st of each year by paying dues of \$25. Your 2021 Annual Membership in Michiana Brits is paid. If you are a North American MGB Register (NAMGBR) member **and** that membership is listed as affiliated with our Club, your Annual Membership dues will be \$15.00. To affiliate, please contact NAMGBR and ask them to list you as a member of Michiana Brits. Currently, membership dues for memberships before 2021 are not being collected until August when a decision will be made by the Board, and your payment will be credited accordingly. Please do not hesitate to contact me if you have any questions. We look forward to seeing you at our Club activities and meetings.

Happy motoring,

Herm Marrese
